## **Solutia Names Mike Donnelly President and General Manager of Performance Films Division**

ST. LOUIS - September 9, 2010 -- Solutia Inc. (NYSE: SOA) today announced that it has named Mike Donnelly as President and General Manager of its Performance Films division. The division manufactures films that provide energy savings and safety and security benefits when applied to glass, as well as high-value precision coated films and film components for advanced technology and performance products.

Donnelly most recently served as the president and general manager of Solutia's Technical Specialties division. He joined Solutia as part of the Flexsys leadership team in connection with Solutia's 2007 acquisition of Flexsys, where he had been an integral part of the business' growth and performance since its inception. Donnelly brings nearly 40 years of manufacturing, business and leadership expertise to Performance Films.

Donnelly earned his bachelor's degree in chemical engineering from the University of Maryland and his MBA from the University of Chicago. He will continue to be based at Solutia's global headquarters in St. Louis.

### **Forward Looking Statements**

This press release may contain forward-looking statements, which can be identified by the use of words such as "believes," "expects," "may," "will," "intends," "plans," "estimates" or "anticipates," or other comparable terminology, or by discussions of strategy, plans or intentions. These statements are based on management's current expectations and assumptions about the industries in which Solutia operates. Forward-looking statements are not guarantees of future performance and are subject to significant risks and uncertainties that may cause actual results or achievements to be materially different from the future results or achievements expressed or implied by the forward-looking statements. These risks and

uncertainties include, but are not limited to, those risk and uncertainties described in Solutia's most recent Annual Report on Form 10-K, including under "Cautionary Statement About Forward Looking Statements" and "Risk Factors", and Solutia's quarterly reports on Form 10-Q. These reports can be accessed through the "Investors" section of Solutia's website at [www.solutia.com](http://www.solutia.com). Solutia disclaims any intent or obligation to update or revise any forward-looking statements in response to new information, unforeseen events, changed circumstances or any other occurrence.

### **Performance Films Profile**

Performance Films is the world's leading producer of high-quality, aftermarket window films and a leading supplier of high-value precision-coated film and film components sold to a variety of businesses. The business manufactures films that provide comfort, aesthetics, energy savings, and added safety and security when applied to glass.

### **Corporate Profile**
